## **PYP & MYP Portfolio Conferences**

**Thursday 22 January 2026 in homeroom classrooms, 16:00–17:30**

Dear Parents,

You are warmly invited to our first portfolio conference of the year, for which the students have collected pieces of work to share with you. You can expect your children to share their strengths, best work, the work they are most proud of, and their plans for the future.

We ask you to provide encouragement and positive feedback as your child presents their work. To help students feel valued and fully heard, we kindly ask that mobile phones be switched off during the conference.

As the Portfolio Conferences replace the parent-teacher conferences this month, we strongly suggest you take the opportunity and contact the teachers during their weekly individual

interviews or send them an email if you have any specific questions regarding the work in their portfolios.

We are looking forward to seeing you at the event!
