

OWL NEWS

Until 13 March

Kindergarten Spring Camp

The kindergarten children are heading to spring camp **at Debeli rtič from 4 – 6 March.**

Departure: Wednesday 4 March, from Tuš carpark at 09:20.

Return arrival: Friday 6 March, between 14:00 and 15:00.

Please be punctual!

The kindergarten will remain open as usual for children not joining the camp.

3M Science Day - Construction

Dear parents,

On **Monday 2 March**, 3M will have a collapsed day on the topic of Construction to conclude the Unit.

We will be in school, so snack and lunch will be organized usual, and AP will start at 11:50.

The students need to bring:

As much cardboard as possible (large pieces or boxes)

Scissors

pencil case

Ruler

Kind regards,

Ms Živa Skornšek

6M Cultural Day – Puppet Theatre

On **Tuesday 10 March**, 6M will enjoy a cultural experience in the Puppet Theatre in Ljubljana. We will see an interesting performance entitled *Somewhere Else*.

The students will come to school at 08:20, when we will have puppetry workshops and preparations for the performance. After snack, at 10:00, we will go to the city centre by public bus.

The performance will last for approximately 40 minutes. Afterwards, we will return to school and have a short reflection.

The students will have lunch at 12:40 and end their day after lesson 5.

Theatre etiquette applies and we have discussed the dress code and behavioural expectations with the students thoroughly.

Ms Mateja Kores & Ms Kristina Štemberger

7M Cultural Day – Cinema

The 7M students will have a cultural day on **Tuesday 17 March**. We will **meet in school at 08:20** where they will have workshops connected to the film they will see. Then we will take

the bus to the city centre. We will attend a screening of the film, *Wonder*, at Kinodvor, The film be shown at 10:45 and is connected to their unit in Language and Literature on discrimination. The day will end at 13:15, when the students will have lunch at school.

MYP Sports Day – Mindfulness

On Thursday 12 March, the MYP Department will have a sports day centred around Mindfulness.

The students will be assigned and divided into two groups (parents will be notified by email):

- **Skiing Group – Krvavec**

Who can participate?

- **Only proficient skiers!**

- Students should preferably have their own equipment.
- Equipment rental is possible **but should be arranged beforehand – if renting from Krvavec, make sure the equipment is ready and waiting for you when you arrive.**

Timetable:

- **07:30** – Meeting in front of the school's main entrance to collect snack.
- Walk to Tuš carpark
- **08:00** – Departure for Krvavec.
- Around **14:30** – Return to school.
- Lunch can be purchased at Krvavec, otherwise the students make their own arrangements.

- **Climbing Group – Plezalni center Verd, Vrhnika**

Timetable:

- **08:00** – Meeting in front of the school to collect snack.
- **08:20** – Bus departure from Tuš carpark (Ljubljana).
- **9:00–12:30** – Climbing activities.
- Around **13:30** – Return to school.

What to bring:

- Indoor sports shoes.
- Appropriate sports clothing.

Lunch will be provided at school as usual.

MYP 3 – Visiting Author

Acclaimed children's and young adult author **Žiga X Gombač** will visit the 8M and 8I students on **Thursday 19 March**, during their English lesson, for a special literary talk. During his visit, he will share the personal and professional choices that led him to pursue writing and offer an authentic glimpse into what life as an author truly entails. As our students consider their future educational paths this year, this lecture will provide valuable insight and encourage them to think about their interests, strengths, and future aspirations.

Ms Tina Frelüh

4M – Workshops in March 2026

On Thursday **5 March and 12 March**, during the **1st** lesson, a workshop about **Peer Bullying** will take place in 4M.

The objectives of the workshop:

- The objectives for the workshop:
 - Students reflect on what conflicts are and the different ways to resolve them.
 - Students hear that conflicts can be something positive, depending on how they are resolved.
 - Students learn or review what peer violence is and its various forms.
 - Students learn or review the roles involved in peer violence.
 - Students reflect on and become aware of what they can do in each role to stop violence.
 - Students gain insight into why it makes sense to take action.

- Students are given the space to share their experiences with peer violence. The workshop will be led by the organization *No Excuse*.

Ms Maja Majnik

6M – Workshop in March 2026

On **Monday 23 March**, during the 1st Lesson, we will organise:

A Lecture on Reproductive Health and Safe Sex Practices, for 6M.

In the lecture we will be discussing:

- anatomy of the reproductive organs
- puberty and secondary sex characteristics
- menstruation
- consent
- fertilization / conception
- sexually transmitted infections *very basic

The workshop will be delivered by Medical students.

If, for any reason, you **do not consent to your child's participation** in the workshop, please notify the homeroom teacher in writing no later than one week prior to the scheduled date of the workshop.

Ms Maja Majnik

7M – Workshop in March 2026

A Lecture on Reproductive Health and Safe Sex Practices, for 7M

In the lecture we will be discussing:

- anatomy of the reproductive organs
- puberty and secondary sex characteristics
- menstruation
- consent
- fertilization / conception
- sexually transmitted infections *very basic
- protection *very basic

The workshop will be delivered by Medical students.

If, for any reason, you **do not consent to your child's participation** in the workshop, please notify the homeroom teacher in writing no later than one week prior to the scheduled date of the workshop.

Ms Maja Majnik

MYP 3 Workshops in March 2026

In March, we will organise some workshops about **Mental Health**:

- **On Monday 23 March, during the 1st lesson in 8M.**
- **On Monday 30 March, during the 1st lesson in 8I.**

The objectives of the workshops are to:

- Learn about the importance of mental health and the ways to care for their own well-being.
- Take part in interactive activities and group discussions.
- Explore everyday challenges and sources of stress at school, at home, and in peer relationships.
- Become familiar with practical strategies for coping with stress and managing difficult emotions.
- Learn to recognise signs of distress in themselves and others.
- Receive information about where and how to seek help when needed.

The aim of the workshops is to create a safe and supportive environment that encourages open conversations about mental health and equips the students with the basic skills to care for themselves and support others.

The workshop will be given by the organisation Psihomoč.

Ms Maja Majnik

MYP 3 Workshops in March 2026

In March, we will organise a lecture on *Reproductive Health and Safe Sex Practices*:

- **On Monday 9 March, during the 1st lesson in 8M.**
- **On Monday 16 March, during the 1st lesson in 8I.**

The lectures will cover the key topics related to reproductive health, including consent, puberty and body changes, reproductive anatomy, contraception methods, prevention of sexually transmitted diseases, and responsible decision-making. The students will also receive practical information about safe practices and where to seek help or advice.

Our goal is to help students better understand their changing bodies, the importance of consent, and ways to protect their health and wellbeing.

The workshop will be delivered by the organisation **Projekt Virus**.

If, for any reason, you **do not consent to your child's participation** in the workshop, please notify the homeroom teacher in writing no later than one week prior to the scheduled date of the workshop.

Ms Maja Majnik

Cycling Course 2025/2026 – Theoretical Exam

Dear Students and Parents,

This message applies to **students enrolled in the Cycling Course 2025–2026**. The **theoretical exam** will be completed using the **SIO Kolesar platform**.

Theoretical Cycling Exam – Important Information

Platform:

- The exam will be taken on the **SIO Kolesar (K-IZPIT) platform**

Exam dates:

- **25 February**
- **4 March**

Time:

- **12:45–14:35**

Location:

- **Classroom 341**

Students will have **two lessons (Lesson 6 and Lesson 7)** to complete the theoretical exam.

Exam Requirements

- A minimum score of **75%** is required to pass.
- **2-point questions are critical:** an incorrect answer to any 2-point question will result in not passing the exam, regardless of the final percentage.

Students are encouraged to practice the simulation **multiple times** before the exam.

Kind regards,
Mr Mitja Uršič
